Old Settlers Reunion.

The Montgomery County Old Settlers Reunion at New Florence last Saturday was the largest attended and best picnic ever held yet. There were more dinner baskets checked this year than ever before—being 635.

About one o'clock it began raining and a light shower fell causing the people to become very restless and nervous, apparently for the reason they would not get to hear Mr. Folk. At 2 p. m., the hour announced for the speaking, the rain had ceased and Mr. Folk mounted the platform. Cheer after cheer went up. His greeting was of the strongest, the attention the closest. Never was such an ovation and cordial welcome extended to any one man on the Old Settlers' grounds. At the close of his address which lasted one hour the following resolution was adopted with vigor, and following this three cheers were given for Mr. Folk.

At the close of Mr. Folk's speech the following resolutions were adopted:

"Whereas, The honest and fearless discharge of every duty by men in the highest ideal of American citizenship; and,

"Whereas, Corruption and dishonesty, both in public and private affairs, should be and is condemned and held up to scorn by every American citizen; and,

"Whereas, Our imperial commonwealth and its intelligent people have been humiliated by the corporation and dishonesty of men who have been intrusted with the honor of office, and who have administered such offices to private gain rather than a public trust; and,

"Whereas, The Hon. Joseph W. Folk was recently selected to the office of circuit attorney of the city of St. Louis, and has since his election discharged his duties to the full extent of the law, without fear or favor, private or political affiliations, and has become the terror of evil doers and the ideal of every Missourian; therefore, be it

"Resolved, by the old settlers of Montgomery county, Mo., in annual reunion assembled. That we endorse his every action and encourage him in his stupendous undertaking, and that we hereby tender him our undivided aid and assistance in his every undertaking to promote the welfare of our commercial commonwealth and the firm establishment of civic righteousness."

The committee on resolutions mention the following names of Old Settlers who have passed into the life beyond:

Judge E. M. Hughes, 58.
John Nebel, 69.
Elisha Patterson, 79.
C. L. Summers, 63.
Francis Cobb, 77.
H. W. Hocker.

In the spinning contest there were six entries. Mrs. Snarr was awarded the prize, a nice silk shawl.

Dr. W. T. McDougal.

Dr. W. T. McDougal, aged 59 years and four months, died of cancer and paralysis at his home in this city Sunday Aug. 2 at 6 o'clock p. m.

Dr. McDougal was born in South Carolina and moved to Missouri at the age of 13 years. After completing his education as Veterinary Surgeon he practiced the profession in Pike, Audrain, Warren, St. Charles and Montgomery counties, having been a prominent resident of the latter the past twelve years.

In December of 1890 he was married to Mollie Schnieder of St. Charles county who now mourns the loss of her husband and who has the sympathy of the community.

A man who believes in the old saying "see a pin and pick it up and all the day you will have good luck" saw a pin on the street. Bending down to get it his hat tumbled off and rolled into the ditch, his eye glasses fell and broke on the pavement, his suspenders gave way behind, he bursted the buttonhole on the back of his shirt collar and last but not least, lost his new false teeth. He got the pin.

Miss Glovine Woodroof, of Mincola, was here the first of the week on a business trip.—Chips.

Mrs. Minerva Waters and son, Paul, of Eufalo, I. T. arrived here Thursday to visit Dr. Davidson and family and other relatives.

John J. Gartman had on exhibition last week at Gartman & Wagner's store a tomato that weighed three pounds and measured fifteen inches in circumference. That is an immense tomato for any time of year, and more especially so to be as early in the season as this. John is somewhat of an expert gardner, and prides himself on his products.—Chips.

Here is the way a Pawnee county man confessed at a revival meeting in Kansas. He had been pressed to repent and finally got up and said: "Dear friends, I feel the spirit moving in me to talk and tell what a bad man I've been, but I can't do it while the grand jury is in session." "The Lord will forgive," shouted the preacher. "I guess that's right," said the penitent, but he ain't on the grand jury."

A NOTABLE AMUSEMENT EVENT. SOLOMON, HIS TEMPLE AND THE QUEEN OF SHEBA.

The Grand and Colossal Biblical Spectacle by John Robinson.

John Robinsons ever popular and ever welcome shows come to us this year with such important accessions and augmentations as to over-shadow all contemporary amusement ventures. They have not only materially strengthened their ring and hippodrome performances, and largely added to their already vast menagerie, but are producing an astonishing new feature which can but commend itself to all classes of patrons. We allude to the grand Biblical spectacle of "Solomon, his Temple and the Queen of Sheba." Unerring in historical accuracy, faithful in scenic delineation, realistic in depiction of incidents and events, impressively grand in pageant effects, magnificent in costumes and appointments, entrancing in musical features, bewitching in beautiful ballets and exciting in games and chariot races, this unprecedentedly sublime spectacle will commend itself to every visitor. The show will exhibit here August 18th.

Be kind to your neighbor and lend him your home paper to read if he does not take one, and do not humiliate him by compelling him to ask you for it, but lay it out in plain sight, where he can find it when he comes in the morning after publication day. Don't be so uncharitable as to hide it because he is as able to pay for it as you are. He undoubtedly has private reasons for not taking it. Perhaps he has conscientious scruples about paying about two cents a week for it when he can get the reading of it for nothing.

An incident occurred at one of our country schools, that goes to show that the average youth knows no such word as impossible. A class in arithmetic was wrestling with subtraction and the teacher was explaining that the thing subtracted must be of the same kind or denomination as the thing subtracted from. She said, "you cannot take 5 peaches from 6 apples; 5 lemons from 6 oranges, etc." when up went a hand from a boy in the class. "What is it Johnnie?" said the teacher. "Please cant you take 5 quarts of milk from 6 cows?" The teacher collapsed.

"If women would pay more attention to their health we would have more happy wives, mothers and daughters, and if they would observe results they would find that the doctors' prescriptions do not perform the many cures they are given credit for."

"In consulting with my druggist he advised McEires' Wine of Cardui and Theodor's Black-Draught, and so I took it and have every reason to thank him for a new life opened up to me with restored health, and it only took three months to cure me."

Wine of Cardui is a regulator of the menstrual functions and is a most astonishing tonic for women. It cures scanty, suppressed, too frequent, irregular and painful menstruation, falling of the womb, whites and flooding. It is helpful when approaching womanhood, during pregnancy, after childbirth and in change of life. It frequently brings a dear baby to homes that have been barren for years. All druggists have \$1.00 bottles of Wine of Cardui.
